UNIVERSITY OF DELHI

BULLETIN OF INFORMATION FOR ADMISSION TO POSTGRADUATE PROGRAMS 2022-2023

Message from Vice-Chancellor

Dear aspiring students,

I take this opportunity of welcoming you all to the University of Delhi, a premier Institute for higher education in India.

It gives me immense pride and pleasure to share with you that our university, established and incorporated in 1922 through an Act of the then Central Legislative Assembly, will complete its hundred glorious years on 1st May 2022. The University, which comprised three Colleges with 750 students in 1922, has expanded to 90 Colleges, 16 Faculties, and 86 Academic Departments spread over 407 acres across Delhi with a student strength of more than 7 lakhs, reflecting a microcosm of the diversity in India.

The University is a premier university in the country as per the national and international rankings. The National Institutional Ranking Framework (NIRF) for the year 2021, places the University at 12th rank among universities. As per the Centre for World University Rankings (CWUR), the National Rank of the University of Delhi is 6th for 2021-22. The Times Higher Education Asia University Ranking of the University is 201-250 (released in June 2021). QS World University Ranking of the University is 501-510 (2022), QS India Ranking (2021) of the University is 6th among Indian educational institutions and universities, and the QS Asia University Ranking (2022) is 77.

The University has always been a pioneer in laying milestones in academics for others to follow. It is actively engaged in the process of bringing a paradigm shift in higher education by orienting curriculum frameworks and structure of the programs with the National Education Policy (NEP) 2020. The NEP 2020 is aimed at transforming the education system in the country and the University is leaving no stone unturned in order to implement the policy in its true spirit.

The University is expanding its academic horizon and adequate infrastructure development is planned accordingly. After demerger of Delhi College of Engineering and Netaji Subhas Institute of Technology from the University, the vacuum so created is now going to be filled by the introduction of three Bachelor of Technology Programs, namely B. Tech in Computer science and Engineering, B. Tech. in Electrical Engineering and B. Tech. in Electronics and Communication Engineering under the Faculty of Technology. Accordingly, a new building for the Faculty of Technology is planned to be set upright in the heart of North Campus. Infrastructural expansions including two blocks for Office and Laboratory in Maurice Nagar and two new hostels in Dhakka Complex are underway. For the convenience of students residing in various parts of Delhi, Facilitation Centres are being set up in Najafgarh (West Delhi), Bhawana (North-west Delhi), Surajmal Vihar (East Delhi), and Fatehpur Beri (South Delhi) to deal with various administrative matters.

During the recent pandemic, the University remained functional, without compromising the health of its students and employees. The admissions, teaching, and learning well as Examination continued in online mode. While the situation is returning to normalcy, the University plans to roll out its year-long Centenary celebrations with which it intends to leave an indelible mark not only on the academia but on the larger community as well.

I urge everyone who will be joining the University of Delhi family to come forward and play an active role in the Centenary Celebrations as well as in taking forward the rich legacy handed down to us through the hard work and sweat of our predecessors. It is indeed our collective responsibility to give our best in all spheres of our engagement, without compromising with mediocracy, so that we continue to excel not just today but for times to come.

Best Wishes!

Yogesh Singh
Vice-Chancellor
University of Delhi

2022 – The Centenary Year

The current year is a landmark in the historical journey of the University of Delhi. It was on the 1st May in the year 1922 that the University was founded with three colleges, namely St. Stephen's College, Ramjas College and Hindu College, comprising of 750 students. Since, its inception, the University has expanded to include 90 Colleges, 16 Faculties and 86 Academic Departments, spread over 407 acres across Delhi, with student strength of more than 7 lakhs. Indeed the University, in its composition and ethos, aptly represents a microcosm of the spectacular diversity of India. It is a matter of great pride for us that over the last one hundred years of its glorious presence, the University has charted a distinguished path to emerge as an institution of great eminence, both nationally and internationally. All its constituent members take great pride in its rich legacy, which dates back to the pre- independence times and which also witnessed its engagement with the national movement. Since then, the University has moved from strength to strength to establish exemplary landmarks in all domains including academics, research, extra-curricular engagement and social outreach.

Students and research scholars have always been considered as the core stakeholders within the University. Placed in such momentous times, we feel very happy to note that all those of you who choose to seek admission to one or the other courses at the University will not only get to become a part of one of the most distinguished institutions of higher learning in the country, but will also acquire the privilege of being present on the historic Centenary celebration. You are indeed fortunate that you will be that special Centenary batch that will get an opportunity to share in and play a meaningful role in the rollout of the Centenary celebrations, which are planned as yearlong programs and initiatives, beginning on the Centenary Foundation Day of 1st May, 2022 and culminating with the Foundation Day of 2023. In this context, you will be pleased to know that the Centenary Logo for the yearlong celebration has also been selected from the entries received through an open competition that was held for the students of the University. Ms. Kratika Khinchi, a second year student of Gargi College is the creator of the Centenary Logo.

The yearlong celebrations shall see the organization of multifarious programs at the University, department and college levels. These will include programs of institutional social responsibility like community outreach initiatives and plantation work, among others; programs of academic engagement like seminars, conferences, workshops and lecture series; cultural events in myriad realms; sports competitions and events; book fairs; exhibition of rare books and manuscripts; organization of seminars, conferences, workshops and lecture series; initiatives in the domain of research & development; green initiatives; innovative practices and a plethora of student-centric activities.
